

TEMPORARY ROAD CLOSURE NOTICE

Gulf Coast Utility Contractors LLC, (GCUC,) will be working between Cabana Boulevard and the Lowe's Home Improvement stores' northern driveway installing new water and sewer as well as removing and replacing the existing pipe stormwater crossing south of the Lowe's driveway. The location and depth of the water, sanitary sewer, and storm drainage crossings require the road to be closed.

Alf Coleman Road will be completely closed to all traffic between the north side of Cabana Boulevard and the south side of the north Lowe's entrance. Full access to all businesses and residences will be maintained during the work.

Through traffic will be detoured at Hutchison Boulevard and Panama City Beach Parkway to either Richard Jackson Boulevard or Clara Avenue. Local traffic can access neighborhoods on Alf Coleman Road from the south as far as Cabana Boulevard, and from the north as far as the north Lowe's entrance.

Please slow down, use caution, and follow signs in construction work zones. The City appreciates your patience as we work to bring improvements to your neighborhood.
